In re Application of	:

Application No. 09/469,606	:	ON PETITION
Filed: December 22, 1999	:	
Attorney Docket No. 50274/007002	:	
For: SUBSTANCE FOR OBTAINING	:	
HIGHLY EFFECTIVE TUMOR	:	
MEDICATIONS AS WELL AS A PROCESS	:	

This is a decision on the petition, filed May 15, 2009 (certificate of mailing date May 12, 2009), requesting that the Office withdraw the holding of abandonment of the above-identified application. The petition will be treated under 37 CFR 1.181.

The petition under 37 CFR 1.181 is **GRANTED**.

This application was held abandoned for failure to respond in a timely manner to the final Office action, mailed October 29, 2008, which set forth an extendable three (3) month period for reply. A Notice of Abandonment, mailed May 5, 2009, states that no reply to the October 29, 2008 final Office action was received in the Office.

Petitioners request withdrawal of the holding of abandonment based on the assertion that a request for a three month extension of time and a RCE were timely filed in the Office on certificate of mailing date April 29, 2009 and physically present in the Office on May 4, 2009. The undersigned finds this argument completely convincing, as these documents are present in the application file and Office financial records show that the required three month extension of time fee and the required RCE fee were charged on accounting date May 4, 2009. The petition for extension of time, the RCE, and the accompanying amendment contain proper certificates of mailing attached thereto.

Under 37 CFR 1.8(a)(1) correspondence is considered timely if: (1) the correspondence is mailed or transmitted prior to expiration of the set period for response by being properly addressed to the Patent and Trademark Office as set out in 37 CFR 1.1(a) and deposited with the U.S. Postal Service with sufficient postage as first class mail or transmitted to the Patent and Trademark Office in accordance with 37 CFR 1.6(d); and (2) the correspondence includes a certificate for each piece of correspondence stating the date of deposit or transmission. The person signing the

certificate should have a reasonable basis to expect that the correspondence would be mailed or transmitted on or before the date indicated.

As stated above, all salient pieces of correspondence included a proper certificate of mailing, in compliance with the requirements of 37 CFR 1.8(a)(1) as set forth above.

The petition under 37 CFR 1.181 is **granted**, the holding of abandonment is withdrawn, and the May 5, 2009 Notice of Abandonment is **vacated**. No petition fee has been or will be charged in connection with this matter.

This application is being referred to Technology Center AU 1643 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.

Telephone inquiries pertaining to this matter may be directed to the undersigned at (571) 272-3230.
